

# « Projects in progress! » Presentation of Juggling Creation projects

Friday, April 28th 2017 / 2AM - 3:30PM

In the frame of the Professional Encounters of the 10<sup>th</sup> Festival Rencontre des Jonglages

#### **Description:**

Aiming at supporting juggling creation, Artcena and the Maison des Jonglages organize together a juggling creation projects' presentation.

A selection of juggling companies will present an ongoing project to an audience of programmers (managers of festivals, venues, producers...). This meeting is a special and friendly moment for artistic companies to present their future creation and express their needs in terms of partnerships, residencies, productions to professionals.

#### **Organization:**

On **April 28th from 2PM to 3:30PM, at La Courneuve,** 4 juggling companies will present to an audience of promoters (festivals, venues, artistic residency centres/programmers, producers...) an ongoing project and express their needs in terms of partnerships, residencies, production, coproductions. Each presentation will last no more than 15 minutes and will be followed by an exchange with the audience.

The projects will be presented by one artist, accompanied if it is possible, by a promoter. Due to the presence of foreign programmers, each company should be able, if possible, to present their project in French and English.

You are adviced to come with a slide show, photos or short video.

#### **Registration:**

In order to submit an ongoing project, please send your registration to Magali Libong : <a href="magali.libong@artcena.fr">magali.libong@artcena.fr</a> before March, 22nd.

There is no registration fee. Transport and accommodation are not supported. The person in charge of presenting its project will be offered a meal on Friday evening and a show ticket during the festival.

#### **Selection:**

Applications will be selected by Artcena and La Maison des Jonglages, on artistic criterias only. Projects submitted shall be: shows created in 2018 or projects planned for beginning 2019 at the latest.
